While living out the divine concept of family and sharing a simple and yet genuinely profound love, Scott’s passion for humanity is easily recognized. RESPONDING TO THE CRISIS IN HAITI

Mr. Keith Jagger, Manager of Multicultural Ministries has been named as the seminary's Coordinator of International Disaster/Crisis Relief. If you are interested in serving on the team to help coordinate Asbury's response to the Haitian disaster or you have leads as to how we may be involved or partner with others, please email Keith. Keith.Jagger@asburyseminary.edu Please note the following opportunities to get involved in the effort:

1. GIVE

You may make a tax deductible donation to provide financial aid to those suffering in Haiti. Please make your check payable to Asbury Theological Seminary and mark it to Haitian Relief Fund. You will receive a receipt and the monies will be distributed to our partner organizations working on the ground in Haiti.

2. PRAY

Please pick up a prayer card and join in our common intercession for the people of Haiti. The prayer cards are located at various distribution points across campus.

3. PRAYER TIME IN ESTES

Please take some time this week and visit Estes Chapel for a time of prayer on behalf of the people of Haiti. We have prepared a short, looping slide show interspersing our crafted prayer with images from Haiti that can help guide our intercessions. The slides will run between 8:30a.m. and 5p.m. Monday through Friday for the foreseeable future.

4. WORK TRIPS

We are exploring opportunities to send members of our community on work/ministry trips to Haiti. If you are interested in this possibility, please

Paint has transformed from solid to liquid to spirit to ask questions and propose alternatives.” You can find the rest of his statement in the exhibit.
